Summary

I'm a passionate Web Application Developer specialising in Frontend Web Development with React . As a Frontend developer, I can convert Figma design to a perfect responsive web template and give them life using React Js.

Featured Project

Share Your Emotion (SYE) Social Media Platform

React js | Tailwind Css | Bootstrap | NodeJs | Html | JavaScript

It's a Social Media Platform. Major platform features include - create post, send friend request, add friends, cancel request, live post, live search functionality and many more.

More Challenges

- Live Search Functionality
- User and email verification and re-authorization
- Generate Verification Code
- Live profile picture upload
